

## **You're invited to the Stakeholder Representative Group Meeting #2**

**When:** Thursday, September 27  
5:30 – 7:30 p.m.

**Where:** Sacramento Regional Transit Board Room  
1400 29th Street  
Sacramento, CA 95812

**What:** SacRT Forward Network Plan

Now is your opportunity review and evaluate two Alternative Transit Networks. Over the past nine months the SacRT Forward Network planning team, headed by Jarrett Walker + Associates, has reviewed the existing transit network, SacRT's service goals, and stakeholder and community input to craft these two Alternatives, in order to illustrate the range of possibilities for the future SacRT network.

As a representative of a key stakeholder group, we need your involvement. During this second and final SRG meeting, the project team will review each of the alternative transit network plans and discuss the trade-offs for each Alternative.

This meeting will include an informative presentation about the Alternatives, a large group discussion, and real-time polling on your feedback.

We will also be eager to hear suggestions from you about places and times that we should gather feedback from the broader public.

### **Can you join us on September 27<sup>th</sup>?**

Please RSVP by Monday, September 24<sup>th</sup> to Katie Durham:  
Email [kdurham@aimconsultingco.com](mailto:kdurham@aimconsultingco.com) or  
Call (916) 442-1168

### **Did you miss the first SRG meeting?**

SRG members learned some new skills and information at the first meeting, and it is important that you learn the same so that you are caught-up at this meeting. Here's how you can catch up:

1. Review the [Summary of Choices Report](#)
2. Review the [summary from SRG Meeting #1](#)
