#### **\*NOTICE TO THE PUBLIC**

It is the policy of the Board of Directors of the Sacramento Regional Transit District to encourage participation in the meetings of the Board of Directors. At each open meeting, members of the public will be provided with an opportunity to directly address the Board on items of interest to the public that are within the subject matter jurisdiction of the Board of Directors. Please fill out a speaker card and give it to the Board Clerk if you wish to address the Board. Speaker cards are provided on the table at the back of the auditorium.

Public comment may be given on any agenda item as it is called and time allowed is at the Chair's discretion. Speakers using a translator will be provided twice the allotted time, to account for the time needed to translate speaker's comment. When it appears there are several members of the public wishing to address the Board on a specific item, at the outset of the item the Chair of the Board will announce the maximum amount of time that will be allowed for public comment on that item.

Written public comment submitted to [boardcomments@sacrt.com](mailto:boardcomments@sacrt.com) up to 250 words and received by 1:00 p.m. on the day of the meeting will be provided to the Board and will become part of public record upon submission to the Board.

Matters under the jurisdiction of the Board and not on the posted agenda may be addressed under the Item "Public addresses the Board on matters not on the agenda." Up to 30 minutes will be allotted for this purpose. Time allowed per person for public comment on matters not on the agenda is at the Chair's discretion and not more than 15 minutes for a particular subject. If public comment has reached the 30 minute time limit, and not all public comment has been received, public comment will resume after other business has been conducted as set forth on the agenda. The Board will not act upon or discuss an item that is not listed on the agenda except as provided under Section 3.1.3.6.

This agenda may be amended up to 72 hours prior to the meeting being held. An Agenda, in final form, is posted by the front door of Sacramento Regional Transit's Administration building located at 1102 Q Street, Sacramento, California, and is posted on the SacRT website.

This meeting of the Sacramento Regional Transit District is recorded with closed captioning. The recording will be cablecast on Metro Cable Channel 14, the local government affairs channel on the Comcast and Direct TV U-Verse cable systems.
